Covered Territory	Worldwide ⁽¹⁾

⁽¹⁾ Note:

- For Group Yearly Renewal Medical Rider (Version 2025): Maternity Care Insurance Benefit, Accident Emergency Transportation Benefit and Illness Emergency Transportation Benefit are only applicable in Vietnam.
- If the Insured Member is out of the territory of Vietnam for more than 06 (six) months, the Policyholder, the Policyholder with limited rights and/or the Insured Member must notify Generali in writing at least 30 (thirty) days prior to the date on which the Insured Member exits Vietnam and Generali shall reassess the level of risk based on this change. For details, please refer to the Terms and Conditions of the main insurance product.

Insured Members

- : are Employees and Dependents of Employees, meet the conditions as specified below and other conditions specified in the Terms and Conditions of Insurance Products, are approved by Generali Vietnam Life Insurance LLC. ("**Generali**" or "**Company**") and are named in the List of Insured Members attached to the Insurance Policy (including the List of insured members at the time of the product enrollment request and any changes to the List of insured members during the policy term, if applicable).
1. Members who are insured from the beginning of the application, including members who participate in the Policyholder's group insurance plan for the first time ("**New Member**") or renew from the previous group insurance plan ("**Renewal Member**"):
 - a. **Employees**, residing in Vietnam and:
 - from 18 (eighteen) years old to 65 (sixty-five) years old at Date of Entry for New Member; or
 - not exceeding 70 (seventy) years old at Date of Entry for Renewal Member.
 - b. **Legal spouse of the employee**: residing in Vietnam and
 - not exceeding 65 (sixty-five) Years old at Date of Entry for the New Member; or
 - not exceeding 70 (seventy) Years old at Date of Entry for Renewal Member.
 - c. **Biological parents, biological parents of the employee's legal spouse**: residing in Vietnam and:
 - not exceeding 65 (sixty-five) Years old at Date of Entry for the New Member; or
 - not exceeding 70 (seventy) Years old at Date of Entry for Renewal Member.
 - d. **The employee's biological child, legally adopted child, or stepchild of the employee's legal spouse**: residing in Vietnam and
 - From full 15 (fifteen) days of Age to less than 23 (twenty-three) Years old at Date of Entry for New Member or Renewal Member; and
 - Not participating in any labor relations and not generating income from such labor relations.
 2. New members, who are requested by the Policyholder to participate in insurance policy during insurance period of the product and after the Insurance Effective Date:
 - a. New employees working for the Policyholder, residing in Vietnam, from 18 (eighteen) years old to 65 (sixty-five) years old at Date of Entry ("**New employee**");
 - b. The dependent is the employee's newborn child, residing in Vietnam, from full 15 (fifteen) days of age at Date of Entry;

- c. Newly married spouse of the employee, residing in Vietnam, from 18 (eighteen) years old to 65 (sixty-five) years old at Date of Entry;
- d. Biological parents, biological parents of new employee's legal spouse and legal spouse of new employee: residing in Vietnam, not exceeding 65 (sixty-five) Years old at Date of Entry.
- e. New employee's biological child, legally adopted child, or stepchild of new employee's legal spouse: residing in Vietnam and:
 - From full 15 (fifteen) days of Age to less than 23 (twenty-three) Years old at Date of Entry; and
 - Not participating in any labor relations and not generating income from such labor relations

The insurance application for the new member needs to be made in accordance with the Terms and Conditions of the main insurance product.

Employee's dependants including parents, parents of spouse, legal spouse, biological, legally adopted children of Employees, stepchildren of Employees' spouses shall be registered mid-term when the Employees are promoted to Manager level.

Promotion decision letters must be provided to the Insurance Company for verification purpose. For individuals in the following cases, Generali may still consider accepting insurance with additional conditions (e.g. applying additional exclusion of liability, adjustment of Sum Assured, adjustment of Premium, etc.) if the health condition of these individuals has been fully and truthfully declared by the Policyholder at the time of the application and these individuals still meet Generali's underwriting criteria, including:

- a. Employees, Dependants of Employees who are being suffered from cancer or mental illness on or before the Date of Entry of Insured member;
- b. Employees, Dependants of Employees who has been certified to have Total Permanent Disability on or before the Date of Entry of Insured member.

IV. NOTES RELATED TO POLICY TERMS AND CONDITIONS

1. WAITING PERIOD FOR GROUP YEARLY RENEWAL MEDICAL RIDER (VERSION 2025)

1.1. Except as provided in Section 1.2 below, Generali shall only pay the actual Medical Expenses related to the treatment of the Insured Member's Injury and/or Disease incurred after the Waiting Period as follows:

- a. Waiting period for Pre-existing conditions: not applicable.
- b. Waiting period for maternity care benefits:
 - Maternity care benefit shall be paid on a pro-rata basis calculated by taking number of actually insured days (counted from the Date of Entry of Insured Member to the first date of treatment as shown on medical document) divided by 270 days.
 - For miscarriage and abortion, Maternity care benefit shall be paid on a pro-rata basic calculated by taking number of actually insured days (counted from the Date of Entry of Insured Member to the first date of treatment as shown on medical document) divided by 60 days.
- c. Waiting period for Special Illness: not applicable.

1.2. The waiting period shall not apply in case the Renewal Member has a total period of insurance participation under the group health insurance plan(s) of the Policyholder (as defined below) that has completed the prescribed waiting time for each benefit in Section 1.1 above.

The Policyholder's group health insurance plan shall be construed as the group health insurance plan at Generali and/or at other insurer(s), which is continuously participated in until before the commencement date of the insurance term of the insurance plan stated in this Sales Illustration. To clarify:

- a. The consideration of non-application of the Waiting Period is determined on a per-benefit basis and for each Insured Member.
- b. In case the time of participation under the above-mentioned group health insurance plan(s) is not qualified as prescribed by the product, the time of participation under such insurance plans of the Renewal Member shall continue to be accumulated with the time of participation under the insurance plan specified in this Sales Illustration for consideration of the waiting period, as long as there is no interruption in the Member's coverage period.

2. NOTES RELATED TO GROUP INCOME COMPENSATION RIDER (VERSION 2025)

If Insured member takes Sick leave due to Accident, Generali shall pay insurance benefit from the 1st (first) day of that Sick leave period.

V. EXCLUSION OF INSURANCE LIABILITY

The regulatory details of the exclusion clause of the products below are listed in the Terms and Conditions of each product.

1. BASIC INSURANCE PRODUCT: GROUP YEARLY RENEWAL TERM LIFE (VERSION 2025)

1.1. Generali shall not pay the death benefit if the Insured Member dies in the following circumstances and/or due to the following causes:

- a. Suicide, whether in a state of consciousness or insanity, within 24 (twenty-four) months from the date of commencement of insurance;
- b. infected with HIV/AIDS, or suffering from HIV/AIDS-related diseases;
- c. The insured member dies due to the intentional fault of the Policyholder with limited rights, or the willful fault of the person entitled to receive insurance benefits;
- d. Criminal acts of the Insured Member/Person entitled to receive insurance benefits/Policyholder with limited rights.

In the event that one or more persons entitled to insurance benefits intentionally cause the death of the Insured Member or commit an Offence resulting in the death of the Insured Member, the entire benefit shall be paid by Generali to the remaining beneficiary(s), after deducting the Debt (if any). Generali shall not pay benefits to the beneficiary(s) who intentionally cause the death of the Insured Member or commit a Criminal Offense resulting in the death of the Insured Member.

When the event of death of the Insured Member falls under the exclusion of insurance liability:

- The part of the insurance policy related to the death of the Insured Member shall cease to be effective from the date of death of the Insured Member; and
- Generali shall refund the unused Premium corresponding to the Insured Member after deducting the Debt (if any).

1.2. Generali shall not pay any insurance benefit in the event that the Insured Member suffers from Total and Permanent Disability under the following circumstances and/or due to the following causes:

- a. suicide, attempted suicide, or self-inflicted injury or attempted to cause self-injury, whether in a state of consciousness or insanity, or under the influence of alcohol or addictive substances, unless prescribed by a Physician;
- b. engage in brawls, fights or resist arrest;
- c. arrested or sentenced to imprisonment;
- d. due to the act of driving a vehicle (i) exceeding the prescribed speed; or (ii) having an alcohol concentration in the blood or breath exceeding the value of 10.9 mmol/l according to Decision 320/QD-BYT dated January 23, 2014 of the Ministry of Health and documents amending and supplementing from time to time; or (iii) the presence of narcotic substances in the body;

- e. using drugs, stimulants, addictive substances, psychotropic substances illegally or not as prescribed by doctors;
- f. While the Insured Member engages in (i) professional sporting activities, or stunt activities through which the Insured Member would earn income or remuneration; or (ii) dangerous sporting activity such as animal hunting, boat racing, skiing or snowboarding, speed skateboarding, skydiving, rock climbing, hunting, racing, horse racing, scuba diving, roller coaster driving, bungee jumping (jumping from a certain height with an elastic rope tied at the ankle) or activities of a similar dangerous nature;
- g. Physically injured while being on or on a regular (civil) flight other than as a ticketed passenger or crew member;
- h. Pre-existing condition, unless the Insured Member has been insured for a period of 12 (twelve) consecutive months under the insurance benefits of this product and/or of the group insurance product offered by another insurance company.

In the event that the Policyholder requests an increase in the Sum Assured while the Policy is still in force, Generali shall not pay the increase in the Sum Assured if the Certified Insured Member suffers from TPD due to a pre-existing condition, unless the Sum Assured has been in effect for a period of 12 (twelve) consecutive months under the benefit insurance coverage of this product.

- i. The insured member suffers from fraudulent accidents due to the intentional fault of the Policyholder with limited rights or the intentional fault of the person entitled to receive the insurance benefits.

In the event that one or more beneficiaries are at fault for willful misconduct resulting in the Insured Member's death, the entire benefit shall be paid by Generali to the remaining beneficiary(s), after deducting the Debt (if any). Generali shall not pay the Benefit to the Claimant(s) who are in the Insured in a willful error resulting in the Insured Member.

2. GROUP YEARLY RENEWAL ACCIDENTAL DEATH AND DISABILITY RIDER (VERSION 2025)

Generali shall not pay any insurance benefit if the Insured Member suffers from injury, burns, or death caused by an Accident occurring under the following circumstances and/or due to the following causes:

- a. engaging in war or acts of war, including acts of aggression, actions of hostile countries (whether or not war has been declared), civil war, insurrection, revolution, rebellion, military coup d'état, or usurpation of power;

- b. is a consequence of nuclear weapons, radioactive rays or radioactive substances from any source of nuclear fuel or nuclear waste arising from nuclear internal combustion or nuclear fission/fusion self-sustaining processes;
- c. suicide, attempted suicide, or self-inflicted injury or attempted to cause injury to oneself, whether in a state of consciousness or insanity or in a state under the influence of alcohol or narcotic substances, unless prescribed by a Physician;
- d. due to the act of driving a vehicle: (i) exceeding the speed limit; or (ii) the alcohol concentration in the blood or breath exceeds the value of 10.9 mmol/l according to Decision 320/QD-BYT dated January 23, 2014 of the Ministry of Health and/or subsequent amendments and supplements from time to time; or (iii) the presence of narcotic substances in the body;
- e. using drugs, stimulants, addictive substances, psychotropic substances illegally or not as prescribed by doctors;
- f. while the Insured Member engages in (i) professional sporting activities, stunt activities through which the Insured Member shall earn income or remuneration; (ii) either dangerous sports activities such as animal hunting, boat racing, skiing or snowboarding, speed skateboarding, skydiving, rock climbing, hunting, racing, horse racing, scuba diving, gliding a roller coaster, bungee jumping (jumping from a certain height with an elastic rope tied at the ankle) or activities of a similar dangerous nature;
- g. engage in brawls, fights or resist arrest;
- h. arrested or sentenced to imprisonment;
- i. epilepsy, hernia, venereal disease, acquired immunodeficiency syndrome (AIDS), cases of sudden death of unknown cause or due to accidents during the treatment of diseases and surgeries;
- j. The insured member dies due to the intentional fault of the Policyholder with limited rights or the willful fault of the person entitled to receive insurance benefits;
- k. Criminal acts of the Insured Member/Person entitled to receive insurance benefits/Policyholder with limited rights.

In the event that an Insured Event occurs due to an intentional error or a Criminal Offense by one or more persons entitled to claim the insurance benefit against the Insured Member, the entire benefit shall be paid by Generali to the remaining beneficiary(s), after deducting the Debt (if any). Generali shall not pay benefits to the claimant(s) who commit a Criminal Offense or intentionally lead to an Insured Member Insured Event

3. GROUP INCOME COMPENSATION RIDER (VERSION 2025)

Generali shall not pay any insurance benefit if the Insured Member is on Sick Leave in the event and/or due to the following reasons:

- 3.1. The insured member is on maternity leave or leave due to maternity complications; or
- 3.2. Members are entitled to Accidental Sick Leave or Sick Leave for one of the following reasons:
 - a. Suicide, suicide attempt, or self-inflicted injury while conscious or insane; or
 - b. Use of any type of narcotic substance, drug, alcohol, poison, stimulant, illegal or non-prescription drug. The term "use of alcoholic substances" is in case the test has an alcohol concentration exceeding the value of 10.9 mmol/l according to Decision 320/QD-BYT dated January 23, 2014 of the Ministry of Health and/or subsequent amendments and supplements from time to time; or
 - c. Any mental, psychological, neurological, debilitating body disease, stress, treatment related to sleep apnea (including snoring); or
 - d. The Insured Member, and/or the Beneficiary, and/or the Policyholder violates the law; or
 - e. Engage in brawls, fights, or resist arrest;
 - f. Pre-existing Conditions, except Pre-existing Conditions approved by Generali; or
 - g. Criminal acts of the Insured Member/person entitled to receive insurance benefits.

In the event that an Insured Event occurs due to an intentional error or a Criminal Offense by one or more persons entitled to claim the insurance benefit against the Insured Member, the entire benefit shall be paid by Generali to the remaining beneficiary(s), after deducting the Debt (if any). Generali shall not pay benefits to the claimant(s) who commit a Criminal Offense or intentionally lead to an Insured Member Insured Event.

4. GROUP YEARLY RENEWAL MEDICAL RIDER (VERSION 2025)

Generali shall not reimburse any expense that incurred from or due to one of the following conditions, unless otherwise agreed by Generali and Policyholder:

- 4.1. Pre-existing conditions, except for Pre-existing conditions which are declared at inception and accepted by Generali;
- 4.2. Receiving medical examination and treatment at medical facilities without operating licenses or practice licenses;
- 4.3. Receiving medical examination and treatment at Doctor's out-of-hours clinics (including the cost of medicines and subclinical services as prescribed at Doctor's out-of-hours clinics, but incurred at another medical facilities) which cannot issue valid financial invoices as prescribed by law;
- 4.4. Any mental illness or disorder, physiological disorder, psychological disorder, or mental behavioral disorder such as sleep disorder, anxiety disorder, depression, body dysmorphic disorder, or dissociative disorder (Hysteria). This exclusion shall not be applied if the Insured Member participates in the Mental and psychological treatment benefit as specified in Article 1.7.1.2;
- 4.5. Treatment of developmental abnormalities such as learning difficulties, attention deficit hyperactivity disorder, autism, behavior problems, problems related to physical development, behavior, language and speech therapy, early puberty. This exclusion clause shall not apply if the Insured Member participates in the psychiatric treatment benefit as prescribed in Article 1.7.1.2 of this product's Terms and Conditions;
- 4.6. Treatment of neurological pathologies such as autonomic neuropathy, cardiac neuropathy, neurasthenia, dementia, Tic disorders. This exclusion clause shall not apply if the Insured Member participates in the psychiatric treatment benefit as prescribed in Article 1.7.1.2 of this product's Terms and Conditions;
- 4.7. Treatment involves sleep apnea (including snoring), weakness/body wear, stress/shortness of breath/fatigue. This exclusion clause shall not apply if the Insured Member participates in the psychiatric treatment benefit as prescribed in Article 1.7.1.2 of this product's Terms and Conditions;
- 4.8. Using drugs without the doctor's prescription; use any type of addictive substances, drugs, alcoholics, poisons, stimulants. The term "use of alcohol" is in the case of testing with an alcohol concentration exceeding the value of 10.9 mmol/l according to Decision 320/QD-BYT dated 23/1/2014 of the Ministry of Health and/or subsequent amendments and supplements from time to time, regardless of whether the Insured Member participates in driving the vehicle or not;

The disease is determined to be caused by alcohol use, except for cases of allergy and poisoning;

4.9.

- 4.10. Treatment at the request of the Insured Member that is not related to the usual treatment and surgical conditions prescribed by the health sector, such as on-demand examination/treatment, service visit, VIP examination or expedited surgery request (unless such treatment requests are performed at a public hospital);
- 4.11. Examination and testing without the conclusion of the Doctor's disease. This exclusion point shall not apply if the Insured Member participates in preventive medicine - Health check-up and screening benefits as prescribed in Article 1.7.1.1.a of this product's Terms and Conditions;
- 4.12. The examination has a diagnosis to determine the disease but has not been treated or not treated and the doctor only advises periodic follow-up and follow-up examination, except for this examination cost incurred in the following cases:
- The insured member is a child, a woman who is pregnant or breastfeeding;
 - The Insured Member's first visit in each Policy Term, with a definitive diagnosis of Disease but not treated or untreated;
 - Insured members participate in preventive medicine benefits - Health check-up and screening as prescribed in Article 1.7.1.1.a of this product's Terms and Conditions.
- 4.13. Home examination and treatment services. This exclusion shall not apply to: i) The Home nursing care services specified in Article 1.2.12 of this product's Terms and Conditions; ii) The insured member for outpatient examination and treatment due to telemedicine/home disease meets the provisions of Article 1.4.1 of this product's Terms and Conditions;
- 4.14.
